

## Poster presentation guidelines

Your abstract has been scheduled for a poster presentation at our Congress. We have grouped poster presentations by broad themes into 8 sessions taking place after the lunches on Thursday and Friday. Posters sessions are numbered P1-P8.

- P1-P4: Thursday 12<sup>th</sup> September, 13:00-14:00
- P5-P8: Friday 13<sup>th</sup> September, 13:00-14:00

## Preparing your poster

Please follow these instructions:

- Posters should be **portrait A0**.
- We will place four strips of Velcro on each board for you to use. We have more if anyone needs it – please go to the reception desk.
- Poster boards will be numbered according to your poster number. Please ensure you display your poster on the correct board.
- Posters should be in place before the first coffee break on the day of presentation.
- **Poster presenters on Day 1 (Posters P1.XX to P4.XX)** must take their posters down at the end of Day 2, before leaving the venue. Any posters left up at the end of Day 1 will be removed.
- **Poster presenters on Day 2 (Posters P5.XX to P8.XX)** must take their posters down at the end of Day 3, before leaving the venue. Any posters left up at the end of Day 2 will be removed.
- Any posters that remain unclaimed at the end of the congress (Day 4, Saturday 14<sup>th</sup> September, 14:00) will be recycled or binned.

## Presenting your poster

- Please ensure you are standing by your poster between 13:00-14:00 on the day your poster has been scheduled.
- A panel of the Scientific Committee will be circulating during the poster sessions to judge posters for the ECR Poster Prizes.

## ECR Prizes

We will run two competitions for [ECR\\*](#), including prizes awarded for the best poster presentations. The awards will be judged by a panel of the Scientific Advisory Board on quality of presentation, scientific rigour, and importance to our field. The judges' decisions

will be final. Winners of the ECR poster prizes will have a 5-minute presentation, in our main auditorium, at the closing session.

\*We define ECRs as students or postdoctoral researchers who completed their doctoral degree within the last 5 years. Proof of status were requested during the submission process.

## Registration

All presenters were required to register for the Congress by 30 June 2024 at <https://www.psychepi.org/congress/epapsyepi24-registration/>.

Abstracts from unregistered delegates were removed from the program after this date.

## Queries

For any queries about your presentation please contact [epalausanne2024@chuv.ch](mailto:epalausanne2024@chuv.ch).

## Scientific Advisory Board

Our [Scientific Committee](#) includes experts from across the breadth of psychiatric epidemiology, social psychiatry and public mental health, and includes diversity by geographical location, gender, lived experience and age. The members of our Scientific Committee are:

Last name	First name	Country	Last name	First name	Country
Bonsack	Charles	CH	Preisig	Martin	CH
Butterworth	Peter	AU	Riedel-Heller	Steffi	DE
Colman	Ian	CA	Skoog	Ingmar	SE
